It is to inform that vide ref. 1st cited, orders were issued by the Government for payment of 2% over and above the basic package price to the hospitals that are having NABH accreditation by National Accreditation Board for Hospitals and Healthcare Providers which would be an incentive to the hospitals to improve their standards and also improve the quality care and safety of the patients.

Vide ref. 2nd cited, the Network Hospitals (NWHs) were informed, that if they are having NABH accreditation shall furnish the same to the Trust through MEDCO's login so as to enable us to take further action for implementing the orders issued in the above Government Order. But so far only 18 NWHs have submitted the NABH accreditation certificate.

Once again the network hospitals (NWHs) having NABH accreditation are requested to furnish the same to the Trust through MEDCO's login. Further, all the Network Hospitals are requested to inform the status of obtaining NABH accreditation in terms of reference 1st cited, for enabling the Trust to take a decision.
