**CIRCULAR**

**AHCT/261/AHCT/F-31/2014, Dated: 16.06.2014**

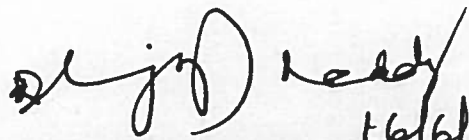

Sub:- AHCT – Time line validation for pending updations of  
Preauthorization and surgery updations, Discharge updations of claims  
– Reg

\*\*\*\*\*

As all the Network Hospitals are aware of the Time line validation for pending updation of preauthorization is 45 days and Time validation for surgery updation is 100 days and Time validation for Discharge updation of claims is 90 days under Aarogyasri Health Scheme and is being followed till today.

In view of the Reorganisation of the Andhra Pradesh state & creation of two states, all the NWHs are hereby informed that the guidelines issued already will continue to be in force and to follow the same guidelines in future also, which are reiterated as below:

1. Time validation for preauthorization updations in Aarogyasri is 45 days.
2. Time from surgery update to discharge update is more than 100 days implies claim is auto cancelled.
3. Time from discharge update to claim submission is greater than 90 days implies claim is auto cancelled.

  
Chief Executive Officer 16/6/14
