Sir,

2. This Office letter No. 95 /F25 /2015 Dated 29-07-2015.

Kind attention is invited to the references cited. As you are aware, the Aarogyasri Field Staff (PHC Aarogyamithras, Network Mithras, Network Team Leaders, Divisional Team Leaders and Office Associates) represented by ‘Telangana Aarogyasri Outsourcing Employees Association’ are on ‘strike’ from the midnight of 24-07-2015 and in spite of the efforts being taken by the Trust to convince them to join duties, they are still continuing on ‘strike’.

2. In this regard it is to state that health camps are integral part of Aarogyasri Scheme aimed at bringing awareness among the rural masses about the diseases they suffer from. Besides that, in the health camps clinical examination, investigation, and provisional diagnosis will be made and the patients will be directed to the Network Hospitals for inpatient treatment, wherever necessary. The non-referral patients will be provided drugs as per the prescription given by the doctor. Monthly schedules are drawn for conducting of health camps in each district. **The health camp schedule pertaining to your district for the month of August, 2015 is enclosed.**

3. Since the Aarogyasri Field Staff are on strike, it is apprehended that they may target the health camps and try to obstruct the conducting of health camps. In such case, the poor beneficiaries will be subjected to lot of inconvenience.

4. It is, therefore, requested that action may kind be taken to provide security at the Health Camps to ensure smooth conducting of the health camps by the respective network hospitals, as per the schedule announced already.

Yours faithfully,
