6. Sri Paveen Prakash, IAS., Commissioner, Family Welfare.
7. Sri J. Shyamala Rao IAS., MD., APHMH&IDC
8. Sri N. Srikant IAS., Chief Executive Officer, Aarogyasri Health Care Trust.

Minutes:

1. The physical and financial progress of Aarogyasri scheme and Employee Health Care Fund Scheme were reviewed.

2. The CEO-AHCT informed that the Trust is currently running the Scheme in all the districts of the State after expiry of the policy periods in Insurance mode under respective phases. It was further informed that the proposal containing revised insurance bidding documents incorporating the changes in the clauses is under circulation in Government.

3. Employee Health Care Fund Scheme(EHS) :

- The salient features of EHS were briefed.
- It was decided to launch EHS from 1-11-2012.
- Employees will submit e-form with Aadhar number and the entire biometric data transferred to AHCT by Finance Department.
- The enrolment of employees and pensioners with their family members shall be completed as far as possible by October 20th, 2012 by Finance Department and the employee data with photos and biometric data transferred to AHCT

- Vendors for issue of Employee Health Cards shall be put in place by AHCT by 1st September 2012 in order to ensure issue of cards on First In First Out (FIFO) basis.
- The draft G.O. consisting of all the salient features and operational guidelines shall be placed before the representatives of employees and pensioners unions and finalised by 02-08-2012 by Medical and Health department, in order to facilitate issue of G.O by 05-08-2012.

4. Expansion of Scheme:

The design of a Universal Aarogyasri Scheme(UAS) for Universal Health Coverage in the State for the entire population, covering

- all existing Aarogyasri procedures
- all RSBY procedures
- all 15 lakh deliveries happening every year
- all the population of the State including BPL and APL but excluding Government Employees and Pensioners need to be taken up to see if such an approach can generate synergies.

The operational issues and the cost for UAS shall be worked out and submitted by Medical and Health Department in 2 weeks, after taking inputs from LET&F and Finance Departments, for further discussion.

5. HR issues of Trust will be examined by Finance Department and file circulated for a decision.

6. After discussion on Health Camps organized by AHCT, it is decided that one mega health camp will be conducted in every district in a month in place of 30 small health camps per district at PHC level, at present in order to increase the impact.

7. The scheme impact evaluation will be got done by CEO-AHCT under the guidance of Dr. Gopinath Reddy, PHFI and Dr. Mala Rao, ASOI, after finalising the

terms of reference by Medical and Health Department in consultation with Finance Department.

8. The CEO-AHCT explained about the Development and Maintenance contract of TCS which needs to be renewed for one more year from 20-08-2012 at a cost of Rs. 8.69 Crores. He is advised to take orders in circulation with justification. However, in the meantime, CEO-AHCT is advised to float the tenders and finalise a vendor for taking up the Development Contract, and Maintenance Contract so that new vendor will start operations from 20-08-2013. It is clarified that the Aarogyasri IT application Source Code and IPR vest with AHCT.

9. A majority of the existing hardware in TCS data centre belonging to Star Health Insurance Co., have completed their life and need to be returned to the company. Govt. issued instructions to shift Aarogyasri Data Centre to State Data Centre (SDC). He further mentioned that the Aarogyasri Application has been running flawlessly for the last 5 years on IBM machines without failure and now the old IBM machines will be replaced with new IBM machines.

It is explained that the procurement of Hardware required for shifting the data centre to State Data Centre, setting up Near Data Centre in Trust for Disaster Recovery, and configuring of Private Cloud in order to take care of the existing and additional load due to Employee Health Scheme, costing Rs.4.7 crores will be ~~done by TCS~~ ^{undertaken} in a transparent manner.
