Rajiv Aarogyasri Scheme is a unique Health Insurance Scheme being implemented from 1st April, 2007 in pursuance of orders issued vide reference cited. The aim of the Government is to achieve "Health for All. A real-time online workflow system is being implementing by the Trust in order to bring dynamism and decentralization of work in a massive scheme like Aarogyasri, which includes total online processing of the cases starting from registration till discharge, post treatment follow-up and claim settlement.

Till date, Aarogyasri Trust accepting the Scanned Case Sheets of the patient which was uploaded by the Network Hospitals for processing the Claims.

Now to improve the documentation of medical details of the patient, Trust has designed transparent online module for preauthorization and Claims in such a way that documentation of treatment plan of the patient should be mentioned in the designed "Case Sheet format".

Trust will made available of Online Case Sheet from 04.08.2014. In this regard, all the Network Hospitals are requested to upload the online Case Sheet of the patient from 04.08.2014.

This is for your information.
