Government issued orders vide G.O. reference 2nd cited for coverage of treatment under Aarogyasri scheme to the orphans and destitute living in old age homes after considering the proposal of Aarogyasri Health Care Trust by incorporating necessary modifications as an addendum to the G.O. 1st cited.

As laid down in the G.O., the following procedure may be followed to facilitate treatment of orphans and destitute living in old age homes.

- i) The Principal Secretary, Women Development, Child Welfare and Disabled Welfare Dept. shall identify all such institutions and communicate the list of such institutions and number of inmates with their particulars to AHCT. Further the particulars of concerned heads, designations and their specimen signatures shall be made available to AHCT from time to time in the proforma prescribed at 4(i) of G.O 2nd cited.
- ii) The concerned heads / managers of the institutions shall identify all such beneficiaries suffering from the diseases covered under the scheme by facilitating preliminary medical examination / screening in the nearest Government hospital. They shall thereafter be sent direct to any network hospital.
- iii) The district collector shall prepare the updated database as per the proforma suggested by AHCT and furnish to AHCT by the end of April and October months of every year.
- iv) The beneficiary shall be registered at the network hospital for treatment under Aarogyasri scheme on verification through online database of the beneficiaries provided by the district collectors.

- v) Till the database is made available to the Trust, the district collectors can facilitate the treatment to these patients by issuing “**beneficiary certificate**”. Separate books containing these certificates are being supplied to the District Collectors for use.

In this regard, all the district collectors are requested to take necessary action and facilitate treatment under Aarogyasri scheme to the orphans and destitute living in old age homes in their concerned districts suffering from identified 938 procedures.
